Open to: Business Operations / Partner Management / Global Remote & APAC Roles

PROFESSIONAL SUMMARY

Results-driven Operations & Partner Ecosystem Specialist with extensive experience at industry leaders including Li Auto and DiDi Chuxing. Proven track record in full-lifecycle merchant governance, cross-functional partner engagement, and event execution. Adept at driving cost optimization, building data-driven dashboards, and executing high-impact community programs with measurable business outcomes.

PROFESSIONAL EXPERIENCE

Ride-hailing Channel & Merchant Operations Specialist 02/2025 – 09/2025 | Shanghai, China
DiDi Chuxing

- Merchant Tiering & Lifecycle Management: Formulated and executed refined merchant tiering and assessment systems across city clusters covering the full lifecycle ("Onboard–Manage–Offboard"). Diagnosed and optimized 6 underperforming channel delivery partners (DP), substantially improving merchant retention and service reliability.
- Data-Driven Operations & Dashboard Construction: Independently designed and launched an automated DP merchant management dashboard tracking core metrics (KPI completion, fulfillment rate, complaint ratio), enabling real-time performance monitoring and automated risk alerts.
- Profit-Sharing Optimization & Cost Governance: Restructured regional profit-sharing policies tailored to merchant tiers and fulfillment performance. Unlocked over RMB 200,000 in flexible operating budget and reduced unit transaction costs by 15%+, markedly enhancing merchant ROI.

New Media & Channel Operations Specialist (Automotive BU) 07/2024 – 09/2024 | Shanghai, China
Chiwu Information Technology Co., Ltd.

- Dealership Social Media Operations: Audited and tiered social media accounts across regional Jaguar Land Rover (JLR) dealerships; delivered differentiated coaching programs to empower dealership teams on Douyin (TikTok China), ensuring 100% attainment of Q3 regional sales KPIs.
- SOP Standardization & Conversion Optimization: Co-authored the JLR Douyin Livestreaming Standard Operating Procedure (SOP), defining end-to-end livestream workflows and lead-generation scripts, which improved live session lead conversion rates by 50%.

Supply Chain Partner Community & PR Operations 07/2022 – 05/2024 | Beijing, China
Li Auto

- Partner Technology Exhibitions: Spearheaded the end-to-end planning and delivery of the "Li Auto–Partner Technology Exhibition" series. Standardized exhibition operational workflows, consistently hosting 1–2 high-profile exhibitions per month with a 90%+ partner satisfaction rating.
- Annual Partner Conference: Key organizer for the annual Li Auto Partner Conference. Managed agenda architecture, partner alignment, and on-site execution for Tier-1 automotive suppliers, securing over 85% stakeholder satisfaction.
- Partner Ecosystem & Content Operations: Established and managed the multi-channel "Li Auto Partner Community" across WeChat, Official Accounts, and video platforms. Curated and launched the flagship in-depth interview series "Li Auto Partner Talk", significantly amplifying supply chain brand equity and partnership cohesion.
